OPEN IMOVIE

Save file – name POEM-JKU (YOUR INITIALS)

Your movie is created in timeline on the bottom of your window.

ADDING PICTURES

Pictures are available in -- MEDIA – PHOTOS

Drag and drop into the timeline

Rendering (red line) will occur – do not have more than 3 images rendering at one time!

ADDING TITLES

Titles can be over pictures or over black

Add titles -- EDITING-TITLES

Check box for over black – uncheck for text over photo

Click and drag blue title box to timeline – will add at editing point
